FraudScout® Features

These features listed below may be included in your plan.
Please review your plan for specific details about the offering.

Monitoring, Report and Score

Daily monitoring of your personal records, including email alerts for any changes and an annual credit report and score.

Change of Address Monitoring

Learn about changes to your United States Postal Service information that could indicate attempts to divert mail or open accounts in your name.

Social Security Number Trace Monitoring

Review names, aliases and address history associated with your Social Security number for signs of fraud.

Court Records Monitoring

Make sure criminal acts are not reported under your identity.

Sex Offender Registry Notification

Make sure a sex offender is not using your identity, and learn about the sex offenders who are registered in your zip code.

Payday Loan Monitoring

Make sure criminals are not taking out payday or quick cash loans, which do not require a credit inquiry.

Cyber Monitoring

Rest easy knowing the internet—including the dark web—is monitored daily for potential fraudulent transactions made with your stolen personal information.
