Fees are collected during the loan process and will be credited back on the settlement statement at loan closing.

Should I refinance my home?

Consolidating debt, lowering your interest rate and building equity are some of the reasons why you might consider refinancing your mortgage. The bottom line is saving money.

Refinancing may not be right for everybody. How much money you might be able to save depends on a number of variables. Talk to a VyStar Representative to determine whether refinancing is the right decision for you.

Pay your loan off faster.

Did you know that by making one additional principal and interest payment during the year will save you interest over the life of your loan, build equity in your home faster, and your loan will be paid off sooner. Making payments with VyStar is fast, easy and convenient with Internet Banking, Magic*Touch or Automatic Transfer.

Services from start to close.

VyStar makes available a comprehensive program to assist with the buying and selling of real estate as well as closing on a loan. A VyStar Representative will be glad to explain how you will benefit and put you in touch with professionals that can help answer your questions.
